

PR4000

PR4000

Mobile Lighting Tower

9m 4x1000w

The PR Power range of mobile lighting towers are designed and manufactured with a high level of precision and quality.

Designed with the end user in mind, the PR4000 produces maximum visibility and performance for continuous night work in a wide range of applications including rental, construction, industrial and civil works.

The PR4000 has a range of features, which make it a robust, heavy duty and user-friendly mobile

lighting tower for maximum performance. A central control point has also been incorporated for added operator safety and convenience.

Parts and technical support for the PR4000 is also available Australia wide.

In addition to the PR4000, Project Rentals also provide a range of lighting tower configurations for sale or hire in applications, such as mining and events.

PR POWER 9m 4x1000w Mobile Lighting Tower

Key Benefits

Maximum light output and performance through quality design and manufacturing

- 4200 sqm. illuminated area for **maximum visibility**
- 360° mast rotation for **maximum light coverage**
- Multi-use tower** fully equipped with a 9kW Generator
- Transport savings** - 9 units on 40ft trailer or 5 units on 25ft trailer
- Manufactured to meet **Australian Safety Standards**
- Weatherproof, soundproof and lockable enclosure for **reduced noise & added security**
- Certified wind stability** to 110km/h
- Robust, heavy duty design for **long lasting performance**
- Mast Safety** - no crush points
- Engine safety** shutdown system
- Fully bunded for **environmental safety**
- Long range** 116 litre fuel tank (89hr operation)
- Forklift pockets and central lifting points for **easy manoeuvrability**
- Road ready trailer**

Technical Data

PR Power Mobile Lighting Tower			
PR4000 Features			
Light output	4x 1000w		
Type of light	Metal Halide		
Max. mast height	9m		
Mast lifting system	Hydraulic		
Tower rotation	360°		
Fuel tank	116 litres		
Engine	Kubota D1105-E diesel engine		
Fuel consumption	1.3 litres/hr		
Operating hours	89		
Trailer	Single axle, heavy duty		
	Adjustable tow-bar		
Noise rating	62dBa@7m		
Dimensions (Mast fully retracted)	3400x1550x2330mm		
Weight (dry)	1115kg		
Genset Technical Data			
kW	Hz	v	rpm
9	50	240	1500

360° Mast Rotation

4x Stabiliser legs

Powerful Metal Halide Lights

Compact
