Sales and Rental Solutions

2x1000w Halogen

Project Rentals are the authorised Australian distributor for the range of Airstar Lighting Balloons.

Airstar lights are diffused, glare free and illuminate a 360 degree area.

The Sirocco 2x1000w halogen lighting balloon has been designed to offer an easy and efficient

lighting solution. This is the simplest and most versatile of the Sirocco range of lighting balloons.

In addition to the Sirocco 2x1000w, Project Rentals also provide a range of other lighting balloons and mobile lighting towers for sale or hire in applications, such as mining, agriculture, construction and events.
